TIMBER SLAT ACOUSTIC PANEL 2400 MM

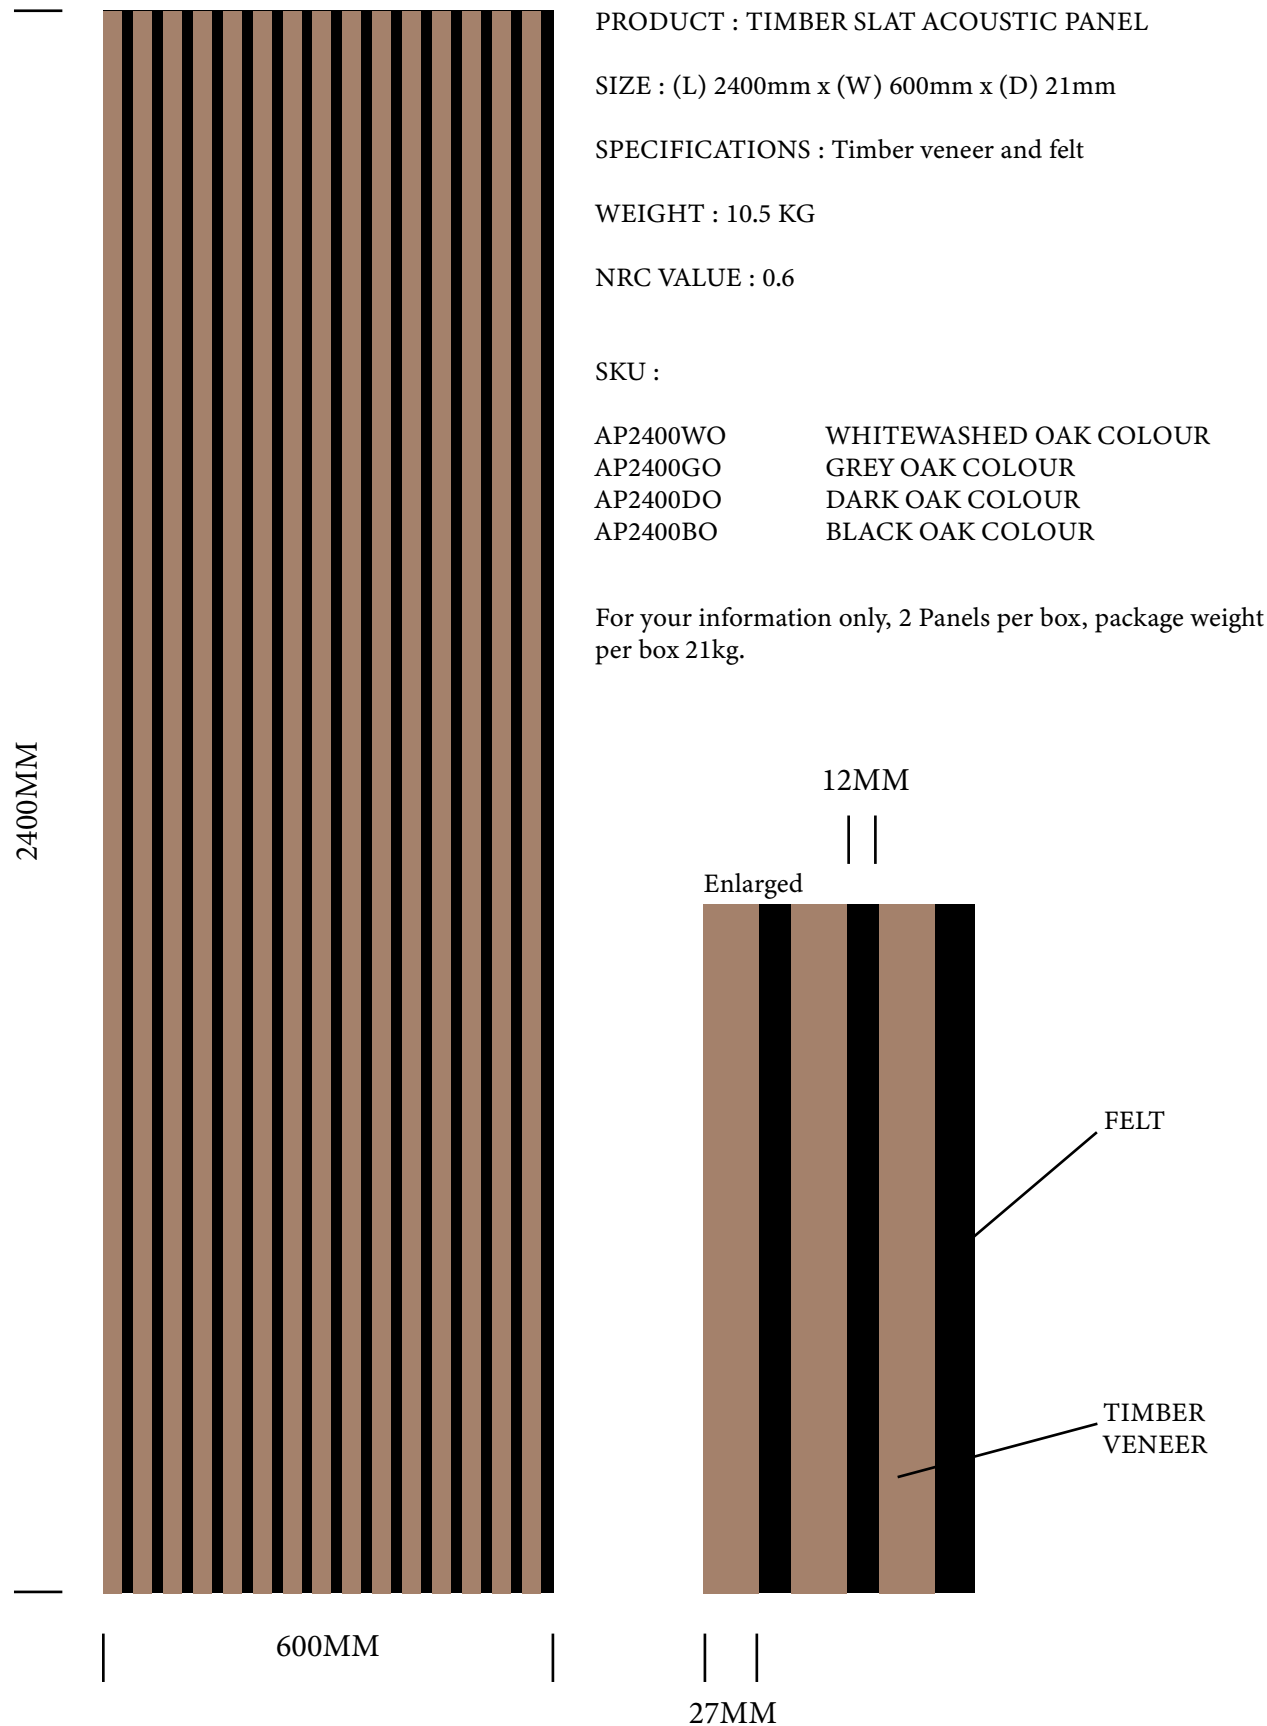

REF : TIMBER SLAT ACOUSTIC PANEL (AP2400GO)

NOVA INTERIOR STUDIO LTD offers a sophisticated range of acoustic wall panels designed to enhance the auditory experience in any space. These panels are engineered to reduce noise levels, minimise echo, and improve sound clarity, making them an ideal choice for both residential and commercial settings.

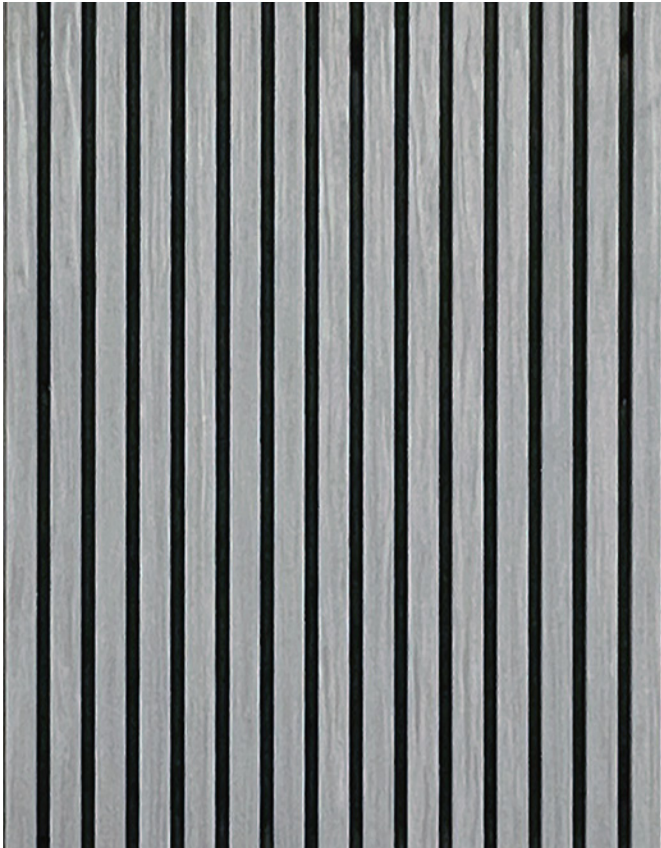

With a focus on combining functionality with style, NOVA INTERIOR's acoustic panels come in various finishes and designs, allowing for a seamless integration into any interior decor. Whether it's for a home theater, recording studio, or an open-plan office, these panels provide an effective solution for creating a more comfortable and acoustically balanced environment.

PLACE ORDER TO NOVA INTERIOR STUDIO LTD

Step into the world of NOVA Interior, where elegance meets functionality. Our premium selection of interior design materials is just a call or click away. Whether you're looking to enhance your home or office, our expert team is ready to assist you with top-notch service and bespoke solutions.

Experience the ease of shopping with us—place your order through our website, reach out via email, or simply give us a call. Let NOVA Interior transform your space into a statement of style and sophistication.

Payment Process :

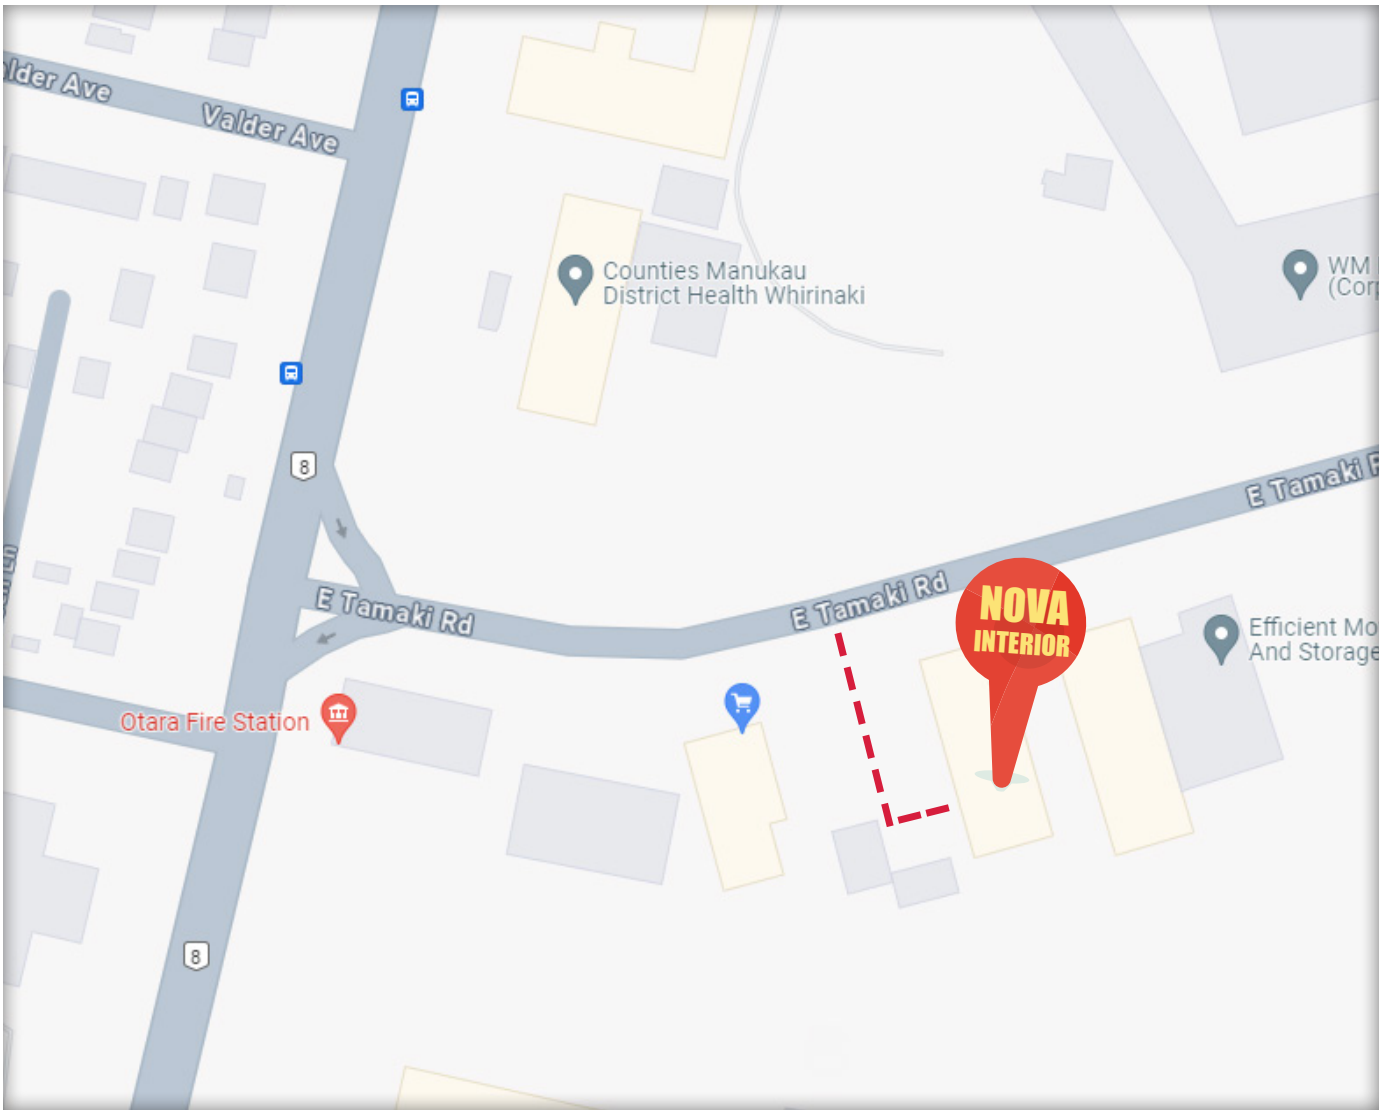

NOVA Interior accepts various payment methods, including credit cards, debit cards, and other secure payment gateways. All prices are listed in New Zealand Dollars (NZD) and include Goods and Services Tax (GST), unless stated otherwise. Payment must be made in full before the order is processed and dispatched.

Order Process :

After placing an order, you will receive an email confirming the details of your purchase. This confirmation acknowledges receipt but does not guarantee acceptance of your order. Shipping charges will be calculated during checkout and added to your total order amount. Dispatch usually occurs within 2 working days after payment is received, using NZ Post or Courier Post for small items, and PBT Logistic Transport for large items.

Installation Process :

NOVA Interior offers detailed installation guides for their products, ensuring a smooth and straightforward setup. For those who prefer professional assistance, NOVA Interior's skilled installation team is available to help install your selections. Whether you're upgrading your space with wall panels or shelving system, our team will ensure a seamless and efficient installation experience.
